## HAPPY THANKSGIVING!

Like the good Pilgrims of Plymouth, Massachusetts in 1621, we are celebrating and giving thanks for all that we have.

Our #1 priority is our customers, and we are grateful for your business.

## THANK YOU!

IN RETURN, we have been working hard to expand our services and meet more needs and requests.

**Imagine yourselves in the field on a TABLET or SMART PHONE!**

In order to increase access to our web-based central dispatch service ConcreteGo.com, our computer programmers are designing software that will allow ConcreteGo.com to function on [mobile / iPad devices](#). We hope to go live by the end of the year.

## **Move mountains of sand and gravel and crushed stone with our forthcoming AGGREGATE DISPATCH!**

We plan to release a new ConcreteGo.com module for [aggregate dispatch](#) during the World of Concrete convention this January in Las Vegas.

Come by our booth [N951](#) and see a demo! World of Concrete 2012, Las Vegas, January 23-27.

January 24 - 27, 2012 | Seminars: January 23 - 27, 2012  
Las Vegas Convention Center | Las Vegas, Nevada USA

We hope to see you there!

Thanks,  
The Sysdyne Team
